

JANE

Jane joined LVH in 2006 and came to us with 45+ years of dog grooming experience. She grooms dogs full time here, taking appointments every Monday, Tuesday, Thursday and Friday.

Originally from the Cleveland area, Jane attended O.S.U. where she found time to raise and show Irish Setters. Jane has groomed for private facilities, a boarding/show kennel (which she also managed), veterinary hospitals, & operated her own private grooming business.

Jane says, "I love my work every day because I love the animals. They make my job fun. It's hard to have a bad day when you see a smiling puppy face and a wagging tail. I love my job!"

Liberty Veterinary Hospital is glad to provide on-site grooming during the week. Inside you will find the services available & our policies to ensure the health for all grooming pets. If you have questions regarding our policies or facility, please feel free to give our staff a call or schedule a guided tour. We will be happy to show you around & introduce you to our groomer.
